

# MODWE 12 VDC Power Supply

## IP68-rated 60 Watt power supply

The MODWE 12 VDC 60 Watt power supply is designed specifically for the sign industry, incorporating innovations that speed installation and ensure reliable performance in harsh outdoor applications. The MODWE is IP68 (Ingress Protection) rated to protect from dust and water intrusion. The MODWE includes improved stress tolerance in heat-sensitive components and subsystems, with unique design enhancements that strengthen electrical connections while allowing key components to flex to accommodate temperature-related expansion.

- Patented end cap design for easy electrical connections and installation
- Auto-resetting – No fuses to replace or circuit breaker to reset. Short circuit protection automatically resets when short condition is corrected
- Simple secondary hook-ups – No minimum load, dip-switches, or load balancing required
- Modular design – Cluster with standard J-boxes to create multiple 60 W legs
- Rugged and compact

## Specifications

<b>Part number</b>	701507-MODWE
<b>Dimensions L x W x H</b>	229 mm x 64 mm x 38 mm
<b>Nominal input voltage</b>	100-240 V
<b>Maximum input current</b>	1.0 A
<b>Power output</b>	60 W
<b>Enclosure spec</b>	Dry, damp, and wet locations
<b>Operating temperature</b>	-40° C to +60° C
<b>Protection class</b>	IP68
<b>Compatibility</b>	SloanLED 12 VDC products
