

LEDStripe

Large-profile LED tubing

For over fifteen years LEDStripe has added lighting elegance and distinction to buildings worldwide. This patented LED-based rigid tubing system, with its large profile and long runs, has become the border tube system of choice for many retail, restaurant, and lodging chains.

Mounting Buttons

- Daytime colour when non-illuminated
- High impact acrylic: UV stable, hydrocarbon insensitive, and non-fading
- Can be factory bent to minimum 305 mm radius
- Can be cut in the field
- Conforms to UL 48 requirements
